

2021 ANNUAL WATER QUALITY REPORT

Every year the Sherman DPW provides our customers with an Annual Water Quality Report (AWQR) to let them know how our water quality stacks up against established federal and state drinking water standards.

We encourage you to review this report as it provides details about the source and quality of your drinking water.

To be more environmentally responsible we are no longer printing the AWQR but have made it available on our website at www.shermanny.org

on the DPW page under WATER. Or you can go directly to the 2021 AWQR at:

You can print a copy directly from our website or call the Village Office for a printout to be mailed or emailed to you.

Please note that the Village Board holds their monthly board meetings on the second Wednesday of each month. Meetings are held in the Village Office at 6pm. We encourage residents to attend.

Great Communities are made by those who have Greatly Served.

Sherman Day was especially important to John Aldridge, Harold Wolfe, and Larry Rater. We remember them for their enthusiasm and recognize their various contributions to this community. Thank you to all those who are stepping up to continue our Sherman traditions!

GERALD W RUSSELL was a Village Trustee from 04/1978— 03/1983 during the original construction of the Wastewater Treatment Plant, and again from 07/1993— 04/1996. Jerry also served on the Town Council, the Westfield Memorial Hospital Foundation as President, and the Sherman Central Audit Committee. His contributions to the Sherman Community will serve us all for many years to come.

NAME THAT STREET!

The Village is adding a "street" to their inventory, thereby improving the alley south of West Main Street along George Edmunds Memorial Park, connecting Hart and Franklin Streets. Thank you to all who made suggestions. The finalists are:

CREEKSIDE LANE

The alley runs along the French Creek

DORMAN DRIVE

Dearing Dorman was the first settler of Sherman in 1823.

FRENCH CREEK LANE

The alley runs along the French Creek

SPERRY LANE

Enoch Sperry, Esq., was a prominent businessman from 1881, successfully running the hardware E. Sperry & Co.

WAKE LANE

Harold Wake attended Sherman Central School before joining the Air Force in 1943. He and his wife Grace ran a successful department store in Sherman for years. Harold is a generous supporter of our Community Church, Stanley Hose Fire Company and SCS. George Edmunds was Harold's mentor, and beloved father-figure. A family dedicated to Sherman.

Votes must be submitted to the Village Office by 8/5/2022. Results will be announced on Sherman Day.
