

VILLAGE OF SHERMAN

TRASH & RECYCLING

Please note, Village garbage bags must be securely tied and placed at the end of your driveway or at the curb by **7:00am each Tuesday** morning.

Trash must be in a Village Garbage bag which can be purchased from the Sherman Country General (177 West Main Street) or the Village Office (111 Mill Street). Any trash bags being placed outside the night before must be in a trash can to prevent animals from tearing the bags open. Ripped bags or those not securely tied will not be collected.

Recycling is collected the first Wednesday of each month, and must be separated by type and **placed outside by 7am.**
