

We are excited to share that the Chautauqua Region Economic Development Corporation (CREDC) has awarded the Village of Sherman a grant of \$15,000 to launch the Downtown Streetscape Conceptual Design Project. This project will allow the village to kick start our initiatives with streets improvements, traffic calming measures, and parking on Main Street.

We extend our heartfelt thanks to Chautauqua Region Economic Development Corporation for their invaluable support!

2025 ANNUAL WATER QUALITY REPORT

Every year the Sherman DPW provides customers with an AWQR (Annual Water Quality Report) to let them know how our water quality stacks up against established federal and state drinking water standards. We encourage you to review this report as it provides details about the source and quality of your drinking water. In order to be more environmentally responsible we are no longer printing the AWQR but have made it available on our website at:

www.shermanny.gov

From the VILLAGE tab, select VILLAGE DPW, or you can go directly to the report at https://www.shermanny.gov/_files/ugd/341c45_fc94b027ae0941d0b8f1c5f9407d7d9d.pdf
