REGULAR BOARD MEETING:

DEPARTMENTAL REPORTS FROM DPW DIRECTOR

Streets, Water, and Sewer Departments

- National Grid was notified on September 30th of two streetlights out, one at the intersection of Osborne St/Franklin St and Mill St (pole #5), and the other at the bend connecting Edmunds and First St (pole #8). Although reported and scheduled, they have not yet been repaired. A resident reported that the streetlight opposite the bank on Miller Street is out, and once the DPW director has confirmed this, he will report it.
- Leaf pickup began today and will continue until the trees are bare or it snows.
- A couple of sidewalks needing new concrete have been scheduled for next Friday.

FIRE DEPARTMENT REPORT AND SUPPORTING FIRE COMPANY, THE STANLEY HOSE COMPANY, INC.

- The auditor has already started the preliminary report for our Village single audit this year. She is waiting for verification as to whether she can simply document the changes regarding the fire department for the previous two years, without having to reopen those audits. Either way, this fiscal year's audit must include the fire department's financials blended with ours.
- Regardless of what happens with the village in the future, we are required to comply with the law based on how the Sherman Fire Department is structured now under the law and that means blending their financials in with our financial report within the next two months.

CAPITAL PROJECT UPDATES

CHRIC Housing Projects

- **CDBG Housing Project #1071HR324-23** – Final APR Report to be submitted.
- **MMHR** –
 - NYSHCR provided the HTFC Environmental Determination Letter regarding the Type II Action according to SEQR regulation NYCRR 617; the current Grant Agreement for the 20233034 MMHR program is now fully executed and site-specific project materials may now be submitted for approval prior to beginning site work.
 - Clerk -Treasurer Jeanette Ramm is working with NYSHCR and CHRIC for the extension, which is going to be revisited in Nov-Dec before the contract expiration date.
 - The 2026 MMHR grant application will be scored closer to the end of the year.

NY FORWARD (NYF) PROGRAM

With the encouragement of the Chautauqua County Partnership for Economic Growth, the mayor handed the trustees a NYF application for their review. She noted that some projects would need to be removed, and others added, and invited comments and suggestions for the next meeting.

COMMITTEE & AGENCY UPDATES

FRENCH CREEK YORKER MUSEUM / VILLAGE COMMONS & MEMORIAL PARK

- **Night at the Museum** – Thursday, September 24, 2026, was cancelled. There were several who wanted to participate at the last minute. We made note of them for next year. Of those that signed up, they asked that their dinner moneys be donated to the Sherman Historical Society for the Preservation of the Yorker Museum. \$125.00 was donated in total.

TRAIL

- Congratulations to CCETS (Chautauqua County Equestrian Trail System) for constructing another segment of trail in the North Harmony State Forest, suitable for all users including equestrian, pedestrian, and cross-country skiers.

STEERING COMMITTEE / STAKEHOLDERS COMMITTEE

- Met on October 13th to review the following items:
 - Main St. Conceptual Design which was provided to Square Engineering
 - Proposed Parking Law
 - Brainstorm solutions for an Animal Law
 - Provided copy of Jamestown's Rental Inspection & Registration Law
 - Provided copy of Canadice's Short-Term Rental Law (recommended by the County)

- Provided copy of Port Jervis and Genesee's Sign Regulation Laws
- Discussed the Downtown Commercial District w/ design guidelines
- Members added Noise concerns to the list of priorities
- Next meeting scheduled for November 2, 2026

SHERMAN CHAMBER OF COMMERCE

- Next Meeting Thursday, November 12, 2026

MAYOR

- **Prospective new planning board, ZBA, & steering committee members should have the following attributes:**
 1. Those who have shown an active interest in Village initiatives.
 2. Must be a critical thinker.
 3. Have related or relevant experience.
 4. Have basic understanding & willingness to learn how the government structure works.
 5. Willingness to set aside personal issues to work for a collective good.
 6. Professionalism, no gaslighting – intentionally or unintentionally, via social media, in groups, or at coffee hour.
 7. Mindful that they are representative of the Village of Sherman.
- **False narratives:**
 1. **The Village doesn't support the Sherman Fire Department / Stanley Hose Co.**
 - The Village is the legal supporting structure for the fire dept & fire co.
 - The Village is accountable for the fire dept & fire co.
 - The Village is required under Federal & State Laws and accounting standards boards to annually report.
 - The Village actions to date have been for the protection of the members and the fire company.
 - The Village is in FULL SUPPORT of the fire dept & fire co.
 2. **The Village is going bankrupt.**
 - The Village is not going bankrupt.
 - The Village infrastructure projects had indirect costs outside of the scope of the engineered projects.
 - The Village took opportunities made available to Sherman at minimal costs to the village, for community and economic development projects.
 - The Village assets have grown substantially, however are far less liquid.
 - The Village debt successfully closed on loans with 0%, 1.25%, & 2.125% interest rates.
- **Presentation of the financials through 9/2026 and the cash budget for the fiscal year.**
 - Incl. the Fiscal Stress Scores for FY 5/31/2025 which shows the Village of Sherman having no designation for fiscal stress. The Village of Sherman is shown as having 'susceptible environmental stress'; this is primarily because the Village scored high in the category of 'State & Federal Aid – for reliance on State and Federal Aid'. The Village is not relying on State or Federal Aid for operational funds; this is a factor derived from the awards granted for the multiple projects undertaken.

PUBLIC PARTICIPATION

There was no public in attendance.
