

**RIGHT OF WAY**  
**TREE & STUMP REMOVAL**

The Village of Sherman has negotiated the collective **removal of trees in the right-of-way at minimal cost to the property owners**. If you have a tree you believe is unhealthy and should be removed, contact the Village Streets Department to participate in this opportunity.

**Village of Sherman:**  
Jay Irwin 716-581-3397  
Daryl Goodwill 716-640-5883

Note: Property owners are responsible for the maintenance of trees in the right-of-way within the Village of Sherman.

**NON R-O-W**  
**TREE & STUMP REMOVAL**

**BACK YARDS AND SIDE YARDS**  
**(OUTSIDE OF RIGHT-OF-WAY)**

The same contractors will offer similarly less expensive tree and/or stump removal services for trees outside the right-of-way, however, the property owners will need to make direct payment arrangements with the contractor.

For more information on the contractors, contact the Village Office to make direct arrangements for any non-ROW tree removal.
